Pastor David's Corner

Welcome to June.

This morning (the last week in May) I woke to temperatures in the 30s. That doesn't feel like the middle of Spring to me, but this is Michigan and we are used to dealing with whatever we get, weather-wise.

One thing I have learned over my life is that complaining about the weather doesn't change the weather, it only makes one miserable in the midst of it.

I don't understand human nature most of the time, but our penchant for complaining confuses me the most. We complain about the government. We vote one party out and the other party in and then we complain about them.

We complain about our sports teams losing, and when they have a fantastic season but don't win the championship we scream, "Fire the coach!"

Jesus was one who would direct us to thank God for whatever we have. We woke up. Praise God. We have a little something to eat. Praise God. We have a roof over our heads. Praise God. We have clothes to cover our nakedness. Praise God.

Paul taught that we should give thanks in all things.

I think that if we would just look on the positive side even as we work to correct the negative issues we would find the sun is shining even on a cloudy day.

Now, if I could just learn to take my own advice....

Blessings in Christ,

Pastor David

Moment

In the beginning, God created the Heaven and the Earth! Eventually, God created you, and now you are here. All we are, whatever we have and everything we hope for and love, comes from God. How can we give back too much to God, in whom we live and breathe and have our meaning?

Seek joy in what you give, not in what you get.**

Mission and Outreach Notes for June

Mission and Outreach will be meeting at an (undetermined date) this month to discuss a couple of our ministries that we do during the summer months..

The Ice Cream Social and the Millington Old Fashioned Summer Festival where Millington United Methodist Church has a Popcorn and Sno -Cone booth.

The meeting will be on an undetermined Monday in June.

Also, our ministry, Baby Bottle Boomerang is still going on until Father's Day on June 15th. We still have bottles available In the Narthex . We encourage you to take one or two home with you, put your change (coin or paper), or a check (written out to Positive Alternatives) in it and return them on June 15th.

This helps young women/couples who find themselves with undesired or unplanned pregnancies and encourages them to realize that there is a positive alternative, which is to carry the pregnancy to full term and either keep or adopt the baby out to a family. They need and appreciate our support.

If you find you are able to help with any of these ministries in any way, it will be greatly appreciated.

To celebrate the special man in your life, use a quote a day the week before Father's Day, or honor him with tributes the whole week after. Write one of these (or one of your own) on a card, make a message into a placemat, tape one to the bathroom mirror—get creative! Every day of the week is a good day to celebrate his love and show him yours.

A Note from Barb...

My husband and I were able to go on a "maiden voyage" with our camper on Memorial Day weekend. While we were excited to finally be able to use the camper, we were also a little apprehensive because of my husband's health and whether this was a "good" idea or not.

Everything was going well, and we were about $\frac{3}{4}$ of the way to our destination when we had a blowout on one of the trailer tires. We had to call someone to take care of it and got it changed and went on our way.

Although we were a little bummed that we had to spend some of our "fun money" from our trip, we were very thankful that God saw us through. It could have been much worse had we lost control of the trailer on the expressway. God was definitely with us and the rest of our adventure was all great. It was so nice to be able to get away for even a few days where my husband said that he almost felt "normal" for a bit.

No matter where we go, and what we have planned, God is ultimately the one in charge and I am so grateful that He sees us through all the "bumps in the road".
